Environmental Restoration - Gold King LiDAR Survey Proposal.pdf

Matt,

This is approved, pending any input from Christoph and Elliott on the specific product and criteria for the survey.

Steve

Subject: RE: Gold King LIDAR area

Matt,

Please find attached our proposal for LiDAR and scanning work of the Gold King site per our conversations. This proposal includes all of the necessary GPS field work to set and tie the panels for the UAV flight. We will also set control to scan the portal arch and entrance area.

If you have any questions please let me know.

Thank you for allowing us to quote on this project.
